Does Botswana impose tariffs on electrical equipment?

Electrical machinery: Subject to 5% to 10% tariffs, depending on the equipment. Botswana imports most of its vehicles, both for personal and commercial use, from countries like South Africa and Japan. The country applies tariffs on these imports to regulate the automotive market and protect local vehicle assembly industries.

Does Botswana have a customs tariff?

Botswana's customs tariff regime includes special duties and exemptions based on trade agreements and the origin of the imported goods. Goods imported from countries outside of the SACU region, such as China, Japan, and the United States, are subject to Botswana's common external tariff (CET).

Does Botswana have duty-free imports?

Southern African Customs Union (SACU): Botswana benefits from duty-free imports of most goods from other SACU member states. Southern African Development Community (SADC): Under the SADC Free Trade Area (FTA), Botswana enjoys reduced tariffs or zero tariffs on goods traded with SADC member countries, such as Zimbabwe, Mozambique, and Zambia.

Does Botswana have customs duties?

In general, goods imported into Botswana from outside the Southern African Customs Union (SACU), which includes Botswana, Lesotho, Namibia, South Africa, and Eswatini, attract customs duties at rates outlined in the Customs Tariff Book.

How to import from Botswana?

Importing from Botswana requires proper customs declarations, country of origin documentation, HS code classifications, and payment of the 15% tariff rate along with any other applicable duties and taxes. We are also working on building a comprehensive database of HS code classifications & a more comprehensive list of documentation requirements.

Which countries are subject to Botswana's Common External Tariff (CET)?

Goods imported from countries outside of the SACU region, such as China, Japan, and the United States, are subject to Botswana's common external tariff (CET). These goods may face higher tariffs compared to goods imported from SACU or SADC member countries.

Botswana import tariffs on photovoltaic inverters

In general, goods imported into Botswana from outside the Southern African Customs Union (SACU), which includes Botswana, Lesotho, Namibia, South Africa, and ...

For imports from China photovoltaic The EU has established green thresholds covering components of solar power systems such as photovoltaic panels, solar batteries, and ...

The significant growth in South Africa's solar photovoltaic (PV) market and a recently implemented 10% import duty tax by the Minister of Finance, Enoch Godongwana on ...
