Who is solar systems Cape Town?

Solar Systems Cape Town is a leading provider of solar energy solutions in Cape Town, South Africa. We offer a wide range of products and services to save you money on your energy bills, including solar panels, solar water heaters, and solar lighting.

Who is a solar manufacturer & distributor?

As a solar manufacturer and distributor, we specialize in the design, development, and production of high-quality solar panels and related products. Our state-of-the-art manufacturing facilities are equipped with advanced technologies and adhere to strict quality control measures to ensure that our solar panels meet the highest industry standards.

Which inverter brands are available in South Africa?

We specialise in most of the popular inverter brands in South Africa, namely, Sunsynk, Deye, Kodak, FoxESS, Fronius, Solar Edge and battery brands such as, Freedom Won, Solar MD, Volta, Dyness and Pylontech. SomeWatt Solar is considered one of the top solar installers in Cape Town with a reputation for excellence.

Can solar power be used in South Africa?

South Africa's sunshine is perfect for solar! PV panels capture sunlight and create electricity. These solar panels generate DC power which an inverter converts to usable AC power for your home. Excess solar power can be sent back to the grid for credits or stored in batteries for nighttime use.

Who is solar green?

As a leading off grid solar panel supplier in Cape Town, we at Solar Green adheres to being a reliable partner to avail comprehensive solar panel installations and associated services. We enable clients to discover the pros of opting for a sustainable, eco-friendly option seamlessly and without any hassle.

Who is somewatt solar?

Whether you're a residential home owner or a commercial enterprise, SomeWatt Solar is a specialist renewable energy company delivering quality solar energy solutions at competitive prices. Our industry expertise ensures optimal results for each of our client's unique environments.
