We carry a wide range of circuit breakers including RCBO, RCCB, ELCB, MCCB and MCB, in the most popular voltage and current combinations. Shop popular currents including: 20a, 32a, 40a, 50a, 63a, more. Shop popular brands including: Clipsal, Hager, ABB, Schneider, Eaton, more. Currently, we have no products assigned to this category.

What is a circuit breaker system?

A circuit breaker system is more than just the breaker itself. It comprises several key components that work in unison to provide reliable and safe electrical protection, such as the enclosure, trip mechanisms, and terminals. The breaker itself houses the main contacts, which carry the current under normal conditions.

Are circuit breakers safe in Australia?

Yes, all our circuit breakers comply with Australian standards, including AS/NZS 3000:2018, ensuring they meet the necessary safety and performance requirements for electrical installations in Australia. Can I use these circuit breakers in a caravan or RV? Absolutely.
